

# 19 September 2020

Join us for the BPA's first LIVE, ONLINE, event to CONNECT us all TOGETHER.

We can't hold a face-to-face event this year, so we've put together an online event and are excited that this style may be much more accessible for many of you. We hope that you will join us for the whole day, but you also have the flexibility to simply join the sessions you are most interested in.

09:30-10:00

Intro to the day & AGM

10:30-12:00

Skin porphyrias interactive session  
with Dr Robert Sarkany and patients

13:00-14:00

Interactive session for EPP kids and teenagers  
with Dr Robert Sarkany

14:30-16:00

Acute porphyrias interactive session  
with Dr Penny Stein and acute patients

16:30-17:30

Get social!  
CONNECT with others with porphyria
